

Stay **SAFE** and stay clear of the **Exploits Dam** during the **Red Indian Lake Fishing Derby**

During the Red Indian Lake Fishing Derby taking place June 17-19, NL Hydro is advising anglers to be extremely cautious on the lake and to stay a safe distance away from Exploits Dam (also known as Millertown Dam).

Anglers should pay particular attention to water levels and flows which can change quickly without warning. Fast moving water near the dam facilities can result in strong undercurrents while the water surface appears calm.

Stay safe and best wishes for a successful and fun fishing weekend!
