

Electric Vehicle Rebate Program

Application Form

The Electric Vehicle Rebate Program offers the following rebates to eligible individuals, businesses, not-for-profit organizations and municipalities:

- \$2,500 for the purchase or lease (minimum 48 months) of a new 100% all-electric or plug-in hybrid vehicle.
- \$1,500 for the purchase of a pre-owned 100% all-electric or plug-in hybrid vehicle.

Rebates are available on a first come, first serve basis to approved applicants. Funding is limited, so be sure to get your application in quickly.

Program Eligibility

To qualify for the rebate:

- You must be a permanent resident or a business, not-for-profit or municipality in Newfoundland and Labrador.*
- The new or used 100% all-electric vehicle must be purchased between April 1, 2022 and March 15, 2023.
- Applications will be accepted from April 1, 2022 to March 15, 2023.
- Vehicle must be intended for personal/business/not-for-profit/municipal use in Newfoundland and Labrador.
- Vehicle must be registered for use within Newfoundland and Labrador. A copy of your final vehicle permit that lists the VIN and vehicle information from Service NL is required with your application.

**This rebate is being offered as part of the Government of Newfoundland and Labrador's Climate Change Action Plan. Eligible applicants must be a resident of Newfoundland and Labrador, a business, non-profit organization, or municipality in the province that is connected to the island interconnected grid or the Labrador interconnected electricity grid.*

Eligible Electric Vehicles

- Purchase or lease (minimum of 48 months) of a new** 100% all-electric or plug-in hybrid vehicle.
- Purchase of a used 100% all-electric or plug-in hybrid vehicle.
- Vehicles must be purchased from a licensed vehicle dealership located in Canada. Person-to-person sales that do not include a vendor are not eligible.

Please visit nlhydro.com/ev-rebate for information about vehicle models that are eligible for this rebate.

***For a vehicle to be considered new, it must be constructed entirely from new parts that have not been the subject of a retail sale and have less than 10,000 km.*

Bill of Sale/Lease Contract

Your application must include a copy of the final bill of sale/lease contract (minimum 48-month lease) from an authorized dealer for the electric vehicle, dated between April 1, 2022 and March 15, 2023.

Vehicle Registration

Your application must include proof that your all-electric vehicle is registered for use within Newfoundland and Labrador. Please provide a copy of your final vehicle permit that lists the VIN number and vehicle information from Service NL. Applications or receipts are not proper documentation.

Declaration and Consent

I acknowledge that I am a permanent resident or business/not-for-profit/municipality of Newfoundland and Labrador and this vehicle is required to be registered in and intended for use in Newfoundland and Labrador. I acknowledge that I will be immediately liable to Newfoundland and Labrador Hydro, without setoff or counterclaim, for the whole of this rebate amount if the vehicle does not remain in or return to the province of Newfoundland and Labrador.

I declare that I am the registered vehicle owner and that the information on this form is accurate and complete. I acknowledge that this rebate does not constitute an endorsement or approval by Newfoundland and Labrador Hydro, the Government of Newfoundland and Labrador or their employees, affiliates, contractors, or assigns of any goods or services furnished or rendered in connection with this Program.

I understand that if I do not meet all the conditions and terms set out in this application, the application review process may be delayed or the application may be deemed ineligible for the rebate.

I give permission to be contacted by email for the purposes of participating in a survey regarding my experience, receiving news, updates and promotions regarding electric service and related services and programs. You can withdraw your consent at any time. Please refer to our Privacy Policy or contact us for more details.

Electric Vehicle Rebate Program

*Terms and Conditions: To be eligible for this rebate, all application information must be completed, and a copy of the final bill of sale for the electric vehicle dated on or after April 1, 2022 must be submitted, and proof of registration must be provided. You and your vehicle must meet all eligibility requirements. Offer subject to change or cancellation without notice. Please allow up to 4-6 weeks from receipt of rebate approval for rebate cheque. Newfoundland and Labrador Hydro or the Government of Newfoundland and Labrador make no representations or warranties regarding any new or pre-owned electric vehicles and are in no way responsible for loss, injury or damage which may result from goods or services furnished or rendered in connection with this Program. NL Hydro reserves the right to limit the number of EV rebates provided to one individual, business, not-for-profit or municipality. Newfoundland and Labrador Hydro may visit your home to confirm vehicle ownership at any time within 15 months from when the rebate was processed. Newfoundland and Labrador Hydro may ask that the incentive be repaid in the event of a false declaration.

I hereby consent and acknowledge the above items of declaration and have read and agree to all the EV Rebate Program Terms and Conditions. By signing below, I also confirm, to the best of my knowledge, that the information provided is complete and accurate.
