**1. DESCRIPTION OF BUSINESS**

Labrador-Island Link General Partner Corporation (LIL GP or the Company) was incorporated on July 26, 2012 under the laws of Newfoundland and Labrador. LIL GP is a 100% owned subsidiary of Nalcor Energy (Nalcor) and is the general partner of the Labrador-Island Link Limited Partnership (LIL LP). LIL GP's head office is located at 500 Columbus Drive, St. John's, Newfoundland and Labrador, A1B 0M1, Canada.

LIL LP was formed to carry on the business of designing, engineering, constructing, commissioning, owning, financing, operating and maintaining the assets and property constituting the Labrador-Island Link (LIL). LIL LP has entered into the LIL Lease Agreement and the Transmission Funding Agreement with Labrador-Island Link Operating Corporation (LIL Opco) and Newfoundland and Labrador Hydro (Hydro), both of which are wholly-owned subsidiaries of Nalcor. These agreements effectively provide the services of the LIL assets to Hydro. LIL Opco will maintain and operate the LIL on behalf of LIL LP.

The Company owns the only issued general partner unit of the LIL LP, thereby constituting it the LIL LP general partner. As the general partner, in accordance with the Limited Partnership Agreement relating to the LIL LP and applicable law, the LIL GP has the power to control and manage LIL LP. Labrador-Island Link Holding Corporation (LIL Holdco), a wholly-owned subsidiary of Nalcor, and Emera Newfoundland and Labrador Island Link Inc. (Emera NL) are the limited partners of LIL LP.

**2. SIGNIFICANT ACCOUNTING POLICIES**

**Statement of Compliance and Basis of Measurement**

These condensed interim financial statements have been prepared in accordance with *International Accounting Standard 34 - Interim Financial Reporting* and have been prepared using accounting policies consistent with those used in the preparation of the annual audited financial statements for the year ended December 31, 2021.

These condensed interim financial statements do not include all of the disclosures normally found in LIL GP's annual audited financial statements and should be read in conjunction with the annual audited financial statements.

These condensed interim financial statements have been prepared on a historical cost basis and are presented in Canadian dollars with all values rounded to the nearest thousand, except when otherwise noted. The Board of Directors of LIL GP has delegated the authority to approve the condensed interim financial statements to the Audit Committee of the Board of Directors of Nalcor, which approved the condensed interim financial statements on August 15, 2022.

**4. FINANCIAL INSTRUMENTS**

**Fair Value**

The estimated fair values of financial instruments as at June 30, 2022 and December 31, 2021 are based on relevant market prices and information available at the time. Fair value estimates are based on valuation techniques which are significantly affected by the assumptions used including the amount and timing of future cash flows and discount rates reflecting various degrees of risk. As such, the fair value estimates disclosed are not necessarily indicative of the amounts that LIL GP might receive or incur in actual market transactions.

Establishing Fair Value

Financial instruments recorded at fair value are classified using a fair value hierarchy that reflects the nature of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1 – valuation based on quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 – valuation techniques based on inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 – valuation techniques using inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The fair value hierarchy requires the use of observable market inputs whenever such inputs exist. A financial instrument is classified to the lowest level of the hierarchy for which a significant input has been considered in measuring fair value. For assets and liabilities that are recognized at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by reassessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. There were no transfers between Level 1, 2 and 3 fair value measurements during the period ended June 30, 2022 and the year ended December 31, 2021.

As at June 30, 2022 and December 31, 2021, the Company did not have any Level 2 or Level 3 instruments. The fair value of other payables approximates its carrying value due to its short-term maturity.

**5. RELATED PARTY TRANSACTIONS**

LIL GP enters into various transactions with its parent and other related parties. Unless otherwise noted, these transactions occur within the normal course of operations and are measured at the exchange amount, which is the amount of consideration agreed to by the related parties. Outstanding balances due to or from related parties are non-interest bearing with settlement within 30 days, unless otherwise stated.

Related parties with which LIL GP transacts are as follows:

<u>Related Party</u>	<u>Relationship</u>
Nalcor	100% shareholder of LIL GP
Hydro	Wholly-owned subsidiary of Nalcor
Lower Churchill Management Corporation	Wholly-owned subsidiary of Nalcor
LIL LP	Limited partnership between LIL Holdco and Emera NL

**6. COMMITMENTS AND CONTINGENCIES**

- (a) Under the terms of the Newfoundland and Labrador Development Agreement (NLDA), the Company has certain responsibilities and provisions of duty with which it must comply in its role as the general partner. Any failure of LIL GP to comply with the NLDA will result in Nalcor indemnifying Emera NL for any losses sustained.
- (b) LIL GP is subject to various legal proceedings and claims in the normal course of business. Although the outcome of such actions cannot be predicted with certainty, Management believes the Company's exposure to such claims and litigation will not materially affect its financial position or results of operations.
