NOTES TO THE CONDENSED INTERIM FINANCIAL STATEMENTS (Unaudited)

1. DESCRIPTION OF BUSINESS

Labrador-Island Link Operating Corporation (LIL Opco or the Company), was incorporated on November 13, 2013 under the laws of Newfoundland and Labrador. LIL Opco is a 100% owned subsidiary of Nalcor Energy (Nalcor). LIL Opco's head office is located at 500 Columbus Drive, St. John's, Newfoundland and Labrador, A1B 0M4, Canada.

LIL Opco was formed to operate and maintain the Labrador-Island Link (LIL). The LIL consists of equipment and facilities constructed between the Labrador Transmission Assets and the Newfoundland and Labrador Island Interconnected System.

LIL Opco has entered into the LIL Lease Agreement (LIL Lease) with the Labrador-Island Link Limited Partnership (LIL LP) and the Transmission Funding Agreement (TFA) with Newfoundland and Labrador Hydro (Hydro). As a result of these agreements, LIL Opco will be the transmission provider for purposes of offering transmission service to Hydro over the LIL during the term of the TFA.

2. SIGNIFICANT ACCOUNTING POLICIES

Statement of Compliance and Basis of Measurement

These condensed interim financial statements have been prepared in accordance with *International Accounting Standard 34 - Interim Financial Reporting* and have been prepared using accounting policies consistent with those used in the preparation of the annual audited financial statements for the year ended December 31, 2021.

These condensed interim financial statements do not include all of the disclosures normally found in LIL Opco's annual audited financial statements and should be read in conjunction with the annual audited financial statements.

These condensed interim financial statements have been prepared on a historical cost basis and are presented in Canadian dollars with all values rounded to the nearest thousand, except when otherwise noted. The Board of Directors of LIL Opco has delegated the authority to approve the condensed interim financial statements to the Audit Committee of the Board of Directors of Nalcor, which approved the condensed interim financial statements on August 15, 2022.

5. FINANCIAL INSTRUMENTS

Fair Value

The estimated fair values of financial instruments as at June 30, 2022 and December 31, 2021 are based on relevant market prices and information available at the time. Fair value estimates are based on valuation techniques which are significantly affected by the assumptions used including the amount and timing of future cash flows and discount rates reflecting various degrees of risk. As such, the fair value estimates disclosed are not necessarily indicative of the amounts that LIL Opco might receive or incur in actual market transactions.

As a significant number of LIL Opco's assets and liabilities do not meet the definition of a financial instrument, the fair value estimates disclosed do not reflect the fair value of LIL Opco as a whole.

Establishing Fair Value

Financial instruments recorded at fair value are classified using a fair value hierarchy that reflects the nature of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1 – valuation based on quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 – valuation techniques based on inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 – valuation techniques using inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The fair value hierarchy requires the use of observable market inputs whenever such inputs exist. A financial instrument is classified to the lowest level of the hierarchy for which a significant input has been considered in measuring fair value. For assets and liabilities that are recognized at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by reassessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. There were no transfers between Level 1, 2 and 3 fair value measurements during the period ended June 30, 2022 and the year ended December 31, 2021.

As at June 30, 2022 and December 31, 2021, the Company did not have any Level 2 or Level 3 instruments. The fair values of restricted cash, short-term investments, other receivables and other payables approximate their carrying values due to their short-term maturity.

LIL Opco enters into various transactions with its parent and other related parties. Unless otherwise noted, these transactions occur within the normal course of operations and are measured at the exchange amount, which is the amount of consideration agreed to by the related parties. 7. COMMITMENTS AND CONTINGENCIES

- (a) On November 30, 2013, LIL Opco entered into the LIL Lease to rent the LIL assets from LIL LP. Under the terms of the agreement, LIL Opco assumes the responsibility for operating and maintaining the LIL and will make rent payments to LIL LP as consideration for the LIL LP renting, sub-letting, assigning or licensing as applicable, all assets and rights associated with the LIL. The rent payments will be sufficient to recover all costs associated with the LIL over the term of its service life. LIL Opco's obligation to make rent payments to LIL LP is absolute, unconditional and irrevocable until the initial financing obtained by LIL LP has been paid in full.
- (b) In conjunction with the LIL Lease, LIL Opco also entered into the TFA with Hydro. The TFA payments will be sufficient for LIL Opco to recover all costs associated with rent payments under the LIL Lease, all costs associated with operating and maintenance incurred by LIL Opco and an administrative fee of \$30 thousand per year. The TFA payments ensure LIL Opco can meet its obligations under the LIL Lease. Hydro's obligation to make payments under the TFA is absolute, unconditional and irrevocable once the LIL is commissioned.
- (c) LIL Opco has irrevocably, absolutely and unconditionally guaranteed the due and timely payment of all obligations of LIL LP in accordance with the LIL PFA, dated November 30, 2013. This guarantee is that of payment and not merely a guarantee of collection. LIL Opco has also granted first ranking liens on all its respective present and future assets other than excluded deposits and contributed surplus.
- (d) LIL Opco is subject to various legal proceedings and claims in the normal course of business. Although the outcome of such actions cannot be predicted with certainty, Management believes the Company's exposure to such claims and litigation will not materially affect its financial position or results of operations.
